TO: Mr. Albert Westphal, Senior Staff Consultant
Committee on Foreign Affairs
House of Representatives
Washington, D. C. 20515

Al:

Per our conversation, enclosed is a copy of President Nixon's instructions relating to the role of the ambassador, which was issued in December 1969. Unfortunately, the only version we have is from the State Department bulletin. Also, thinking it might be of interest to you, I am including the earlier letter on the same subject issued by President Kennedy in 1961.
